17. **DISCUSSION AND CONSIDERATION OF REVISED BOARD POLICY CONCERNING THE ALLOCATION OF COURT REPORTER FEES IN LIGHT OF SECTION 551.7 OF TITLE 13 OF THE CALIFORNIA CODE OF REGULATIONS - ADMINISTRATION COMMITTEE**

The members were provided with a memorandum from Tim Corcoran and Robin Parker pertaining to revisions to the Board adopted policy concerning the allocation of court reporter fees in light of Section 551.7 of Title 13 of the California Code of Regulations. Ms. Parker indicated that since the parties are paying for all costs plus the Board's transcript after the first day, they should be given the option to use or not use the contracted court reporter service. The staff is suggesting amending the policy to allow additional flexibility with securing a court reporter to provide the services requested.

Mr. Stevens moved to adopt the revised policy. Mr. Lizárraga seconded the motion. The motion carried unanimously.

The revised policy is as follows:

- For the first hearing day (merits or dispositive motion), the Board will be responsible for arranging reporting services, paying for the reporter's appearance fee, the delivery fee and any other costs excluding Realtime set-up fees, and the Board's cost of the hearing transcript. Counsel will remain responsible for purchasing their own transcript, if desired.
- For each subsequent day, the Board or counsel, at the Board's discretion, will arrange reporting services and the Board will order the

parties, on an equal basis, to pay the ~~contracted~~ court reporter service for the reporter's appearance fees, the delivery fee and any other costs including Realtime set-up fees, and the Board's cost of the hearing transcript. Counsel will remain responsible for purchasing their own transcript(s), if desired.

- In any other instance, where any party or parties deem reporting services necessary (including requests for reporter's appearance and for transcripts), the requesting party (or parties on any basis they agree upon) will be responsible for arranging reporter services and will be responsible for payment to the reporting service of the reporter's appearance fees, the delivery fee, and any other costs. Counsel can utilize the Board's contracted reporting service but are not required to do so. The requesting party or parties will also be responsible for providing the Board with a certified copy of the transcript. Ms. Vare indicated that with regards to the Political Reform Act, there were no statutory changes or case decisions that impact the Board's compliance with the Act. With regards to the Public Records Act, Section 6254.3 was amended to state that personal email addresses are not subject to disclosure unless the email was used to conduct public business. No Board action was taken as this matter was for informational purposes only.

19. **BOARD FINANCIAL CONDITION REPORT FOR THE 2<sup>ND</sup> QUARTER OF FISCAL YEAR 2017-2018 - FISCAL COMMITTEE**

Ms. Vare mentioned that she is also monitoring Assembly Bill 2224, which seeks to add narrow track vehicles to the Vehicle Code. Lastly, Mr. Vare mentioned that she is monitoring a federal bill in regard to used dealers selling used cars that are under an open recall. 22. **CONSIDERATION OF PROPOSED REGULATION AMENDING SECTION 551.12 (NOTICE OF ASSIGNMENT OF ADMINISTRATIVE LAW JUDGES; PEREMPTORY CHALLENGES) OF TITLE 13 OF THE CALIFORNIA CODE OF REGULATIONS - POLICY AND PROCEDURE COMMITTEE**

The members were provided with a memorandum from Tim Corcoran and Robin Parker concerning revisions to proposed regulatory amendments to Section 551.12 of Title 13 of the California Code of Regulations pertaining to peremptory challenges. Ms. Parker commented that, as the members know, the Board has a limited number of Administrative Law Judges (ALJ). ALJ Skrocki presides over law and motion and ALJ Wong conducts settlement conferences leaving the remaining ALJs for merits hearings. Additionally, since the memo was written, Ms. Parker reported that 10 preemptory challenges have been filed in law and motion matters. When this regulation was originally drafted, Ms. Parker indicated that it was never the staff's intention to encompass anything other than merits hearings. Michael Gowe, Deputy Attorney General, reviewed the staff's proposed amendments. Mr. Gowe reviewed other State agencies that are also quasi-judicial

agencies like the Board to make sure that what is being proposed is consistent not only with what other agencies are doing but also to make sure it isn't contrary to the law.

Ms. Parker indicated that the staff is seeking to limit a preemptory challenge only to a merits hearing and to eliminate any requirement that there be a Declaration of Prejudice on the part of the party seeking to file a preemptory challenge. That is consistent with the Office of Administrative Hearings, the State Personnel Board and the Workers' Compensation Appeals Board.

Ms. Doi wanted to know the Board's role after comments are received to the proposed rulemaking. Ms. Parker indicated that if comments are received from the public, they will be presented to the Board with a response from the staff. By adopting the regulation today, all the Board is doing is granting the Executive Director the ministerial duty of proceeding through the rulemaking process. The staff cannot make any substantive changes to the proposed regulation if adopted. Lastly, Ms. Parker commented that the Board is kept apprised of the rulemaking process in the administrative matters portion of the Executive Director's Report.

The proposed revisions are as follows:

**§ 551.12. Notice of Assignment of Administrative Law Judges; Preemptory Challenges.**

Notice of the proposed rulemaking will be published in the *California Regulatory Notice Register* and will be sent to the Public Mailing

List. During the public comment period, I want to invite and encourage written and oral comments. Additionally, a public hearing at the Board's offices may be held to accept oral and written comments.

By the Board instructing staff to go forward with the proposed regulation, this does not necessarily indicate final Board action. If any written or oral comments are received, the full Board will consider the comments and reconsider the text of the proposed regulation. Furthermore, if the staff decides that substantive modifications to the proposed texts are necessary, the Board will consider those modifications at a noticed meeting. However, non-substantive changes involving format, grammar, or spelling suggested by the Office of Administrative Law or the staff will not be considered by the Board because they are non-regulatory in nature. They will be considered by the Executive Committee and ultimately reported to the Board at a future meeting. If there are no written or oral comments received, then the rulemaking process will proceed without further Board involvement.

23. **CONSIDERATION OF PROPOSED NON-SUBSTANTIVE REGULATORY AMENDMENTS TO ADD REFERENCES TO CODE OF CIVIL PROCEDURE SECTION 1013b, WHICH PERTAINS TO PROOF OF ELECTRONIC SERVICE - POLICY AND PROCEDURE COMMITTEE**

During the public comment period, I want to invite and encourage written and oral comments. Additionally, a public hearing at the Board's offices may be held to accept oral and written comments.

By the Board instructing staff to go forward with the proposed regulation, this does not necessarily indicate final Board action. If any written or oral comments are received, the full Board will consider the comments and reconsider the text of the proposed regulation. Furthermore, if the staff

decides that substantive modifications to the proposed text are necessary, the Board will consider those modifications at a noticed meeting. However, non-substantive changes involving format and grammar or spelling suggested by the Office of Administrative Law or the staff will not be considered by the Board because they are non-regulatory in nature.
